Aims of Scheme:

- For students to play and perform confidently in a range of solo and ensemble contexts using their voice musically, fluently and with accuracy and expression
- For students to understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture and structure
- For students to improvise and compose music on their own and with others; and extend and develop musical ideas by drawing on a range of musical structures, styles, genres and traditions.
- For students to use technology appropriately
